

VERTICAL LIFT WINDOW

SUI SERIES HEAVY DUTY WINDOW

SUI100 - AUTOMATIC 'HANDS-FREE' VERTICAL LIFT WINDOW
DARK BRONZE FINISH - STANDARD SIZE: 24"W X 48"H

SUI200 - MANUAL VERTICAL LIFT WINDOW
CLEAR ANODIZED FINISH - CUSTOM SIZES AVAILABLE

Quikserv's SUI Series vertical lift windows are the perfect pass-through system for multiple service access points, walk-up service counters and areas with limited space. The SUI window is available in standard and custom sizes to best fit your application and are suitable for interior and exterior applications.

STANDARD FEATURES

- Standard size: 24"W x 48"H
- Available in clear or dark bronze anodized finish
- 1/4" clear tempered safety glass
- Operates via a belt/rope and reliable counterweight system
- Ships fully-assembled and ready to install
- Backed by limited one year warranty
- SUI 100 is ETL Listed

OPTIONAL FEATURES

- Custom colors and painted finishes available
- Custom sizes available;
 - Minimum width 24"W and minimum height 30"H
 - Maximum width 40"W and maximum height 50"H
- Various glazing options (Insulated, Low-E, Tinted)
- Push button (instead of proximity sensor) actuator
- Available with a stainless steel shelf base extending from the interior to exterior of the window, providing a continuous pass-thru counter

SUI100 AUTOMATIC

This 'hands-free' automated window includes a proximity sensor in the header of the window which will detect the presence of the service attendee and automatically open the window to allow you to serve customers and automatically close the window when you walk away from it.

This window includes our patented Logic Lock with three operational modes; *Standard*: Allows the 'hands-free' operation of the window through the proximity sensor; *Peak Period*: Opens the window and keeps it open until this mode is disengaged; *Night Latch*: Disengages the proximity sensor and engages a plunger lock to secure the window

SUI200 MANUAL

This manually operated vertical lift window includes a 4" aluminum handle on the interior of the window and will remain open at the height of your choice to allow you to easily serve customers and process transactions. The manual window also includes the Logic Lock switch to lock the window.

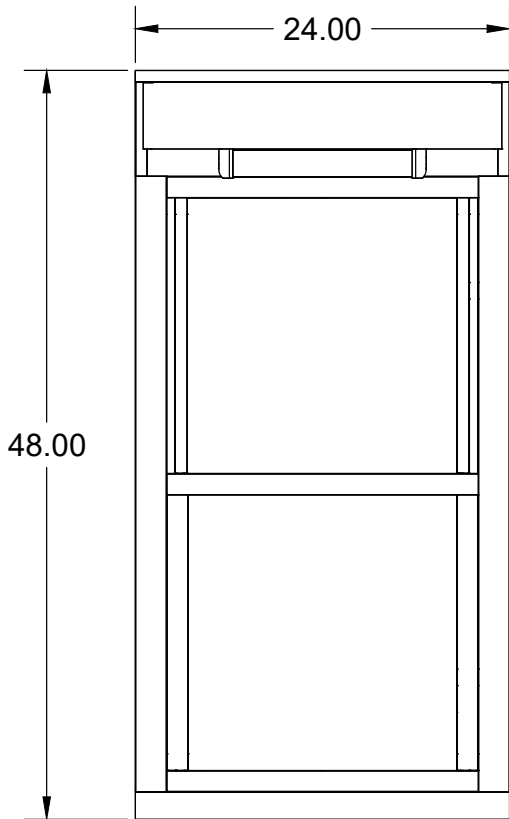

MODEL SUI SERIES
