WINDOWS SPECIALLY DESIGNED TO COMPLY WITH CALIFORNIA BUILDING CODE

SC-4030 : SHOWN WITH GLASS PANEL TO PROVIDE 432 SQ IN SERVICE OPENING

Quikserv's line of California windows are specifically designed to comply with the California Retail Food Code. All of these windows offer a self-closing operation and a service opening that is limited to either 216 sq. in. or 432 sq. in. For windows with a 432 sq. in. opening, an air curtain is required to comply with the code.

## CALIFORNIA SC-4030

Our manual open / self-closing California SC-4030 comes with a glass panel to limit the service opening to either 216 sq. in. or 432 sq. in.

## CALIFORNIA SS-4035E

Our hands-free operated, automatic SS-4035E is available with a glass panel to limit the service opening to 216 sq. in. or 432 sq. in.
